1. Confessions and Realities of Grief

When you accept, embrace, and learn from change, you inevitably grow stronger. The ability to continuously accept change allows you to become as solid as a rock in the midst of violent storms all around you—even if you feel afraid.

- Trauma in sickness: a child, a spouse, or a parent
- Trauma in losing a child, a spouse or a parent
- Mechanisms to coping & care
- What does God say?

Guest Speaker: Prisca Simbanegavi is the founder and Director of Endear Africa. Her views are deeper! Her vast experience includes married life, traumatic loss of her dearest daughter Nokutenda on the 15th of November

4. Widows/Widowers/Divorce Life Untangled

- Moving on, how to move on
- Dealing with daily situations of being a widow/single
- Parenting

2. Married Life Simplified

- Married life and extended families
- Physical & Emotional Abuse
- Interracial Marriage Challenges & Advantages
- Married life without children
 - Staying together after loss or failure

Guest Speaker: Dr Julie Koukliati is a teacher who comes from Greece. She

holds MA and PhD in Education. She has been married for 6 years and still struggling to bare children. Her love for children has driven her into the education sector in which she feels covers some of her maternity blanks in the eyes of her students. In her spare time she enjoys reading and doing crafts with materials from nature
